

On Time

How & When You Need Them

M&W will respond quickly to your need for competitively priced and innovatively designed custom manifolds delivered how and when you need them. M&W promptly delivers quotes, application drawings, prototypes and production. Since 1979 M&W has made the investment in the very latest technologies which are applied by highly skilled people to all our processes.

M&W is a 100% custom manifold specialist, and it shows. Custom manifolds are rapidly revised to meet ever-changing needs. Our demonstrated ability to respond to change has resulted in M&W's growth into an industry leading supplier of built to order custom manifolds.

In a dedicated effort, 24 hours/day, we strive to shrink the design-build

cycle and reduce delivery time. M&W wants to shorten the time between thinking it and seeing it. M&W has a proven track record of consistent and successful growth as a quality supplier who delivers aluminum, ductile and steel manifolds as promised.

Top 10 Reasons Why M&W Should be Your Manifold Supplier

1. **QUALITY PRODUCT FAST** – From RFQ, design, machining, deburring, labeling, washing, coating and packaging: M&W is committed to tight process control.
2. **ON TIME DELIVERY** – Using world class automation from computerized shop control, CAD/CAM, and CMM to late model high speed CNC'S: M&W runs 24 hours/day.
3. **FAST QUOTATIONS** – From schematic or customer drawing M&W can provide accurate and prompt quotes. Please call, e-mail or fax us.
4. **COMPETITIVE PRICING** – Results from high manufacturing efficiency – Lean Manufacturing
5. **EXPERIENCED & QUALIFIED PEOPLE** – Our people are here for the long run!
6. **HIGH CAPACITY** – M&W has formidable machining capabilities: including 15 major CNC's which operate 24 hours/day building custom manifolds. M&W is very growth oriented
7. **INNOVATIVE ENGINEERING** – Quick approval drawings
8. **TONS OF STOCK TOOLING** – M&W is a custom manifold specialist
9. **HIGH VOLUME PRODUCTION** – M&W is a large producer of aluminum, ductile and steel manifolds. We can handle manifold orders of 1 or 500 quantity.
10. **TOTAL CUSTOMER SATISFACTION** – Excellent service is the goal at M&W Manufacturing.
